

## 2022 Colorado Employee Withholding Certificate

### This Certificate Is Optional for Employees

If you do not complete this certificate, then your employer will calculate your Colorado withholding based on your IRS Form W-4. That calculation is designed to withhold the required Colorado income tax due on your wages throughout the year, and it will generally result in a refund when you file your Colorado income tax return.

### Reasons to Complete This Certificate

Complete this certificate if you want to adjust your Colorado withholding for one or more of the following reasons:

1. You earn most of your income from one job,
2. You expect to claim federal itemized deductions and/or the Colorado child tax credit, or
3. You expect significant income from other sources.

For most taxpayers, completing this certificate will likely increase your take-home pay, reduce your Colorado withholding, and reduce your refund when you file your Colorado income tax return. Consider the amounts you enter carefully. If too little is withheld, then you will owe tax when you file your Colorado return, and you may owe a penalty.

### When to Complete a New Certificate

You may adjust your withholding at any time. Consider completing a new certificate for the following reasons:

1. You last completed a certificate three or more years ago;
2. Your wages or other income changes significantly;
3. Your number of jobs changes;
4. Your expected filing status (single, married filing jointly, etc.) changes;
5. Your expected federal deductions change significantly;
6. You have a new qualifying child for the child tax credit; or
7. You or your child will no longer qualify for the Colorado child tax credit, including if your child will turn 6 years old this year.

### If You Complete This Certificate

1. Give it to your employer; then they must calculate your Colorado withholding based on the amounts you entered.
2. If you (and your spouse, if filing jointly) have multiple jobs, complete a separate certificate for each one.
3. In order to prevent evasion of Colorado income tax, the Department of Revenue may review and adjust your withholding.

## Worksheet 1: Withholding Allowance

**This worksheet is optional.** You may complete the Colorado Employee Withholding Certificate without completing this worksheet. Complete this worksheet only if you want to adjust your Colorado withholding for one or both of the following reasons:

1. You expect to claim additional federal deductions and/or the Colorado child tax credit; or
2. You (and your spouse, if filing jointly) have multiple jobs but earn more income from one job.

To use the electronic *DR 0004 Withholding Calculator*, go to *Tax.Colorado.gov/Withholding-Forms*.

You (and your spouse, if filing jointly) only need to complete this worksheet once regardless of your number of jobs. However, you will need to give a separate Colorado Employee Withholding Certificate to each of your employers. **Do not give this worksheet to your employers.**

For more information about itemized deductions, see IRS Topic No. 501. For more information about qualifying for the child tax credit, see IRS Publication 972. Please note that the Colorado child tax credit is allowed for qualifying children who do not have a work-eligible social security number.

1. Enter the amount of income you (and your spouse, if filing jointly) expect to receive this year from all sources.	\$
2. Enter your Standard Allowance, based on your expected filing status from IRS Form W-4 Step 1(c): a. \$10,500 if single or married filing separately; b. \$16,500 if head of household; or c. \$23,000 if married filing jointly or qualifying widow(er).	\$
3. Enter the amount from IRS Form W-4 Step 4(b), if any, which is your estimated federal deductions that exceed the standard deduction.	\$
4. Enter your Child Tax Credit Allowance from Table 2 below. <i>If you do not want to reduce your withholding for the Colorado child tax credit, you may enter zero on this line, even if you expect to claim the credit.</i>	\$
5. Add Lines 2, 3, and 4. This is your Total Withholding Allowance.	\$
6. Enter the number of jobs that you (and your spouse, if filing jointly) currently have.	
7. Divide Line 5 by Line 6. This is your Annual Withholding Allowance for each job. a. <i>If you (and your spouse, if filing jointly) have multiple jobs but earn most of your income from one job, you may want to divide the Total Withholding Allowance on Line 5 unevenly between your jobs. For example, if you earn 75% of your income from one job, you could use 75% of Line 5 for that job and the remaining 25% of Line 5 for your other job(s). If you choose to divide Line 5 unevenly, you will need to complete a separate Colorado Employee Withholding Certificate for each job.</i> b. <i>If you want a greater amount withheld, you may enter a smaller amount than your calculation.</i>	\$

**Enter the amount you choose on Line 2 of your Colorado Employee Withholding Certificate.**

## Worksheet 2: Additional Withholding

**This worksheet is optional.** You may complete the Colorado Employee Withholding Certificate without completing this worksheet. Complete this worksheet only if you would like to calculate additional wage withholding to cover other types of taxable income that you (and your spouse, if filing jointly) expect to receive this year. This may include interest, dividends, retirement income, rental income, or income from self-employment or as an independent contractor.

To use the electronic *DR 0004 Withholding Calculator*, go to *Tax.Colorado.gov/Withholding-Forms*.

Complete a separate copy of this worksheet for each job to which you would like to add withholding. **Do not give this worksheet to your employer.**

Alternatively, you may use form DR 0104EP to submit estimated tax payments for any non-wage income that you receive. If you do not ensure that you have enough withholding and estimated tax payments, then you will owe tax when you file your return, and you may owe a penalty. For more information about withholding and estimated tax payments, see parts 6 and 7 of the *Colorado Individual Income Tax Guide*.

For more information about taxable and nontaxable income, see IRS Publication 525. For information about the Colorado pension and annuity subtraction, go to *Tax.Colorado.gov/Individual-Income-Tax-Guidance-Publications*.

2. Enter any other non-wage income that you (and your spouse, if filing jointly) expect to receive this year, but is not included in the amount from IRS Form W-4 Step 4(a). This may include income from self-employment or as an independent contractor.	\$
3. Add Lines 1 and 2. This is your Total Additional Income.	\$
4. Multiply Line 3 by 4.55% (0.0455). This is your Total Additional Withholding.	\$
5. Divide Line 4 by the number of jobs to which you would like to add withholding. This is your Additional Withholding Per Job.	\$
6. Divide Line 5 by the number of pay periods during the year for this job (see Table 3 below). This is your Additional Withholding Per Pay Period.	\$
<b>Enter this amount on Line 3 of your Colorado Employee Withholding Certificate.</b>	\$
